What the Prez Sez

Hello Friends,

I have passed the six-month mark as your official Route 66 PHC President. I am so looking forward to the next six months as we have a lot of exciting things to come.

I came to my first Route 66 PHC meeting full of anxiety and not sure I fit in, but I came. The next meeting came around and I told Jeff I didn't want to go (anxiety really get the best of me sometimes), but he made me go. I'm so glad he did!! I have met so many AMAZING, KIND and CARING people that I am proud to call my friends. You guys are the best and if I do not say it enough, THANK YOU for all you give to our club.

Speaking of THANK YOU'S – Thank you to Tim, Mona Davis and all the volunteers for making the Luau on the River a wonderful success! Thanks to all of you we raised just shy of \$12,000!!!! That's amazing!

We are days away from the Annual Cajun Shrimp Boil so get your tickets and be ready for another magnificent event! Don't forget to check the flier for items needed for The Russell House – Flip Flops! If you would like to volunteer for the event here is the link to sign up:

The August meeting will be at Belmont and I will be collecting New and Gently Used Books for Mr. Rif's Reader's. Their mission is to encourage and keep Grade school children interested and excited about reading.

Thank you for being a member of The Route 66 PHC. I have said this more than once, "Everyone of you bring something to the table" and that something is important no matter how big or small!!!!

Fins Up!

Laura P.

Musician Spotlight

Pup Morse The Scuba Cowboy

Music has always been my first passion. From the time I was a small child singing along to tunes in the car or trying to impersonate Elvis in the shower. I always knew I wanted to sing. Of course, sometimes life sends us on a little sidetrack before we get a chance to chase our real dreams and my life was no exception. For a variety of reasons I didn't get a chance to really start pursuing my musical career until a little later in life. Fortunately, however, through the wonderful support of many of you folks and the long arm of the World Wide Web, things are happening quickly these days and I expect it will only get more frenzied as time goes on.

Honestly, I love almost all genres of music, as long as it's not angry or hateful. Country, Trop-Rock, Classic Rock and Blues have always been my favorites simply because the songs tell a lot of stories about life. The words paint pictures that are easy to connect to because many of us have been sittin' in those same shoes at one time or another in our lives. That's what music is to me... a universal medium that crosses all the boundaries: age, race, color, language, everything! When people share music, they are sharing a little piece of their lives together and it is a beautiful thing. I like songs where the lyrics are clear and purposeful, whether it is a heart-wrenching ballad or a rowdy sing-along, I think it's important to hear what the songwriter has to say.

I will always do my best to write songs that have a purpose, whether it be just plain fun or something much more serious, like heartbreak or personal loss. I will always pour my heart and soul into every song, every word, every picture, every graphic that I pass along... that is my personal promise to you. Until we meet again, keep lettin' your heart shine all the way to the outside and share it with the world!

All dah' best!

Pup

This and That

We have tattoos

That's right, we have Route 66 Parrot Head Club Temporary Tattoos thanks to the creative thinking of George and Jane Reed who got the idea from one of their CanAm Spyder rallies. George took it to the next step to seek out the hows and wheres to get temporary tattoos made.

Tattoos are available to all members at \$1.50 each with the profits to go to a charity that will be voted on by members at a later date

George hit a home run and the final product is for sure going to be a smash hit with the members.

JUMBO SHRIMP

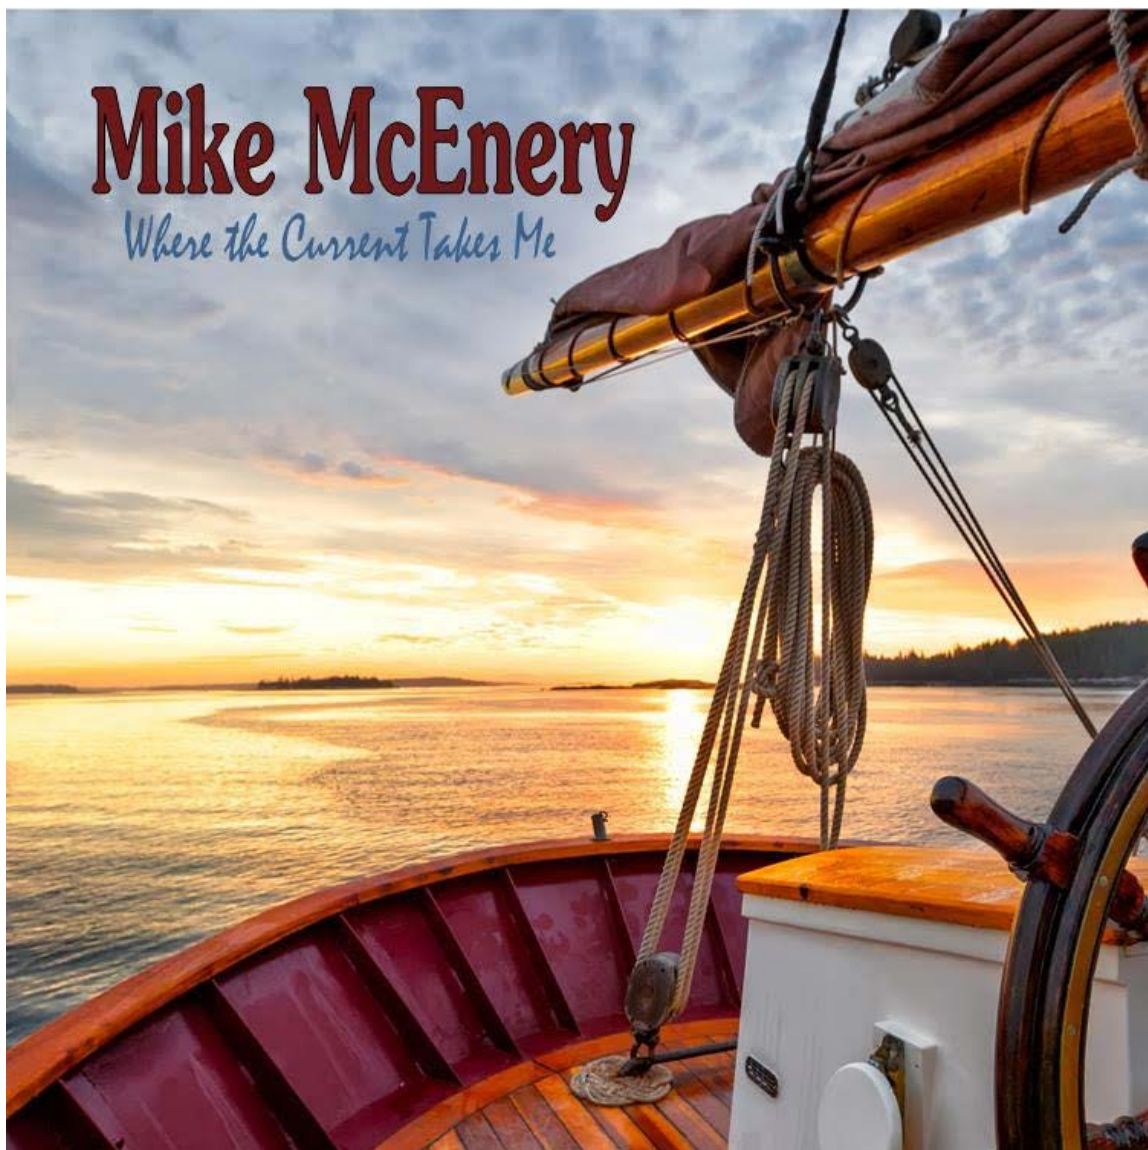

Route 66 Parrothead Club member Mike McEnery of Jumbo Shrimp fame is releasing his new CD "Where the Current Takes Me" in late June, early July.

The first single released is Getaway. The CD will also include a couple more songs "Red Right Returning" and "Frosty Mug" he co-wrote with Dan Sullivan from The Detentions

Below is a sneak peek of the CD cover.

Mike will have these available for sale soon

For those going to Summer Chill Trop Rock Music Festival in Chicago Illinois, Mike will be performing Thursday August 2nd at 6:30

Parrot Heads Invade Bob's Gasoline Alley

The monthly Bored Meeting for June was held at Bob's Gasoline Alley in Cuba Mo.

With 28 members in attendance the Parrothead's were treated to a home cooked meal by Bob's wife that included more deserts than we could eat.

Bob then gave a guided tour through the many buildings ranging from Route 66 memorabilia to model cars, old tractors, signs and some interesting animals.

The entire place was impeccably clean without a hint of dust! When questioned about how it was kept dustless Bob told us it was all his wife!

LUAU ON THE RIVER

The event “Luau on the River”, a fund raiser to benefit the Franklin County Humane Society was held at the home of Tim & Mona Davis with the help of the Route 66 Parrothead’s and the FCHS.

The Davis’s opened their park like river access on the beautiful banks of the Meramec River. The party goers were treated to a fun day of floating, swimming and general relaxation, listening to the classic tunes of the “Underdogs”.

There were a variety of activities which included Dana’s Shaved Ice Truck (Sno-Cones for us old folks). The Silent Auction and raffle items had everyone in a frenzy trying to get the cool items available. The buffet table was full of Pappy’s Bar B Que and the best gas station fried chicken in Franklin County! The main entertainment was provided by the “Phin Addicts” which had the crowd engaged and dancing. At dark the band took a break and the Luau crowd was treated to a fireworks display put on by our hosts, Tim & Mona. This beautiful presentation would rival many community public fireworks display and had the crowd oohing and awing all evening.

The evening finished out with the Phin Addicts wowing the crowd with their musical entertainment

From Tim’s Facebook page

The final amount raised \$11,675.34 for our furry 4 legged friends at The Franklin County Humane Society. This will make a huge difference and will help extend the free spay and neuter program for the kitten adoptions which recently ran out of funds Thank you guys so much!

ADOPT A HIGHWAY TRASH PICKUP

With the crazy weather throughout the spring every scheduled trash pickup day has had conditions that have forced cancellation.

Who would think that we would get snowed out in April?

Vice President Richard Ray advised us in order to keep our status for the Adopt A Highway program, we are required to have a pickup 4 times a year.

June 17th had 6 members working their magic picking up bags of trash on a sweltering day with the thermometer close to triple digits.

After the pickup, all members in attendance stopped at the Belmont Winery for some cool refreshments and the sounds of Paul Roush.

VP Richard is pondering a midweek pickup VS a Sunday to have a little cooler time and possibly easier for members to make it. Look for more on this in the coming weeks.
